

Anand Raj

Frontend Developer | React.js | JavaScript | UI Engineering

8987479794 • anandraj981@email.com • Portfolio • GitHub • Ranchi, Jharkhand (Open to Remote)

PROFESSIONAL SUMMARY

Frontend Developer with hands-on experience building interactive, production-grade web interfaces using React.js, JavaScript, and GSAP. Demonstrated ability to architect component-driven UIs — including a fully functional macOS-inspired web clone with draggable and resizable windows. Focused on clean code, responsive design, and smooth user experiences. Open to remote frontend opportunities.

TECHNICAL SKILLS

Languages	JavaScript (ES6+), C++, C, Python
Frontend	React.js, HTML5, CSS3, SCSS, Responsive Design, Mobile-First Development
Libraries	GSAP
Backend	Express.js, Node.js
Dev Tools	Git, GitHub, VS Code, npm
AI & Concepts	Generative AI, Prompt Engineering, REST APIs

PROJECTS

macOS Web Interface Clone

Tech Stack: React.js, GSAP, CSS3

- Developed a macOS-inspired web interface in React.js featuring draggable and resizable windows.
- Built modular app components — Notes (with syntax highlighting), Music Player, and GitHub Viewer — each with independent state management.
- Implemented a functional in-browser terminal supporting commands including mkdir, rmdir, cd, ls, and app launchers such as open music, open github, open notes, and open pdf.
- Integrated GSAP animations to deliver smooth transitions and a native desktop experience in the browser.

Smart Productivity OS (Dashboard)

Tech Stack: HTML5, CSS3, JavaScript

- Designed and developed a task management dashboard with a mini OS-inspired interface using vanilla JavaScript.
- Implemented real-time DOM updates and dynamic task interactions without any external frameworks or libraries.
- Structured the UI with semantic HTML5 and custom CSS3, focusing on clarity and usability.

Responsive Travel Website

Tech Stack: HTML5, CSS3, Responsive Design

- Developed a fully responsive travel website using a mobile-first approach with semantic HTML5 and CSS3 layout techniques including Flexbox and Grid.
- Ensured consistent cross-device compatibility through fluid typography and adaptive layouts.

EDUCATION

Bachelor of Information Technology Ranchi University	Expected 2029
Intermediate (Science) Marwari College, Ranchi	2022 – 2024

CERTIFICATIONS

- Responsive Web Design** — freeCodeCamp (2026)
- Generative AI & Prompt Engineering** — IBM (2025)
- Generative AI for All** — Microsoft (2025)
